An Adventure Board Game and Zine

to Explore Northeast Minneapolis

By: Angela George

Welcome to Northeast

(aka Nordeast)

Northeast was established as a neighborhood in 1848 and is now widely known for it's arts district and annual Art-a-whirl art festival.

When I move somewhere new, I love exploring as much as possible so I can be a good tour guide for my friends and family. After this you will NEVER be bored in Nord(east)!

Some honorable mentions that didn't make the map:

Diane's Place
a Hmong American restaurant

Matchbox Coffee

Tiny & cute coffee shop

Broken Clock Brewery

Beer, pinball, pool, patio, and coffee!

Growing up, board games were a family activity. There were laughs, and tears, but I remember it fondly. Into high school and college, board games became a way to connect with old friends and make new ones. I hope this board game can bring you closer to your friends and maybe spark a fun adventure through Northeast Minneapolis!
