

Monarch butterflies  
are on the  
**ENDANGERED**  
Species list!

1,235,490  
29,418  
1997 2019

So what can we do??

**1) Plant Milkweed**

They are the only food  
for monarch  
**CATERPILLARS**

**2) PLANT** native plants  
when the caterpillars  
grow up they need

**Food too**

**3. SPREAD the WORD!**

Signs in your yard, social media,  
and word of mouth!
